

KRISHNARAJENDRA HOSPITAL, MYSORE.

TENDER NOTICE.

Dated 27th September 1933.

Notice is hereby given that sealed tenders on half-sheet of foolscap sized paper in triplicate will be received at the Office of the Medical Officer, Krishnarajendra Hospital, Mysore, by the Medical Officer, at 11 A.M., on Friday, the 24th November 1933, for the supply of all articles of diet, etc., (as per list annexed), required for the use of the Krishnarajendra Hospital, Mysore, from 1st January 1934 to 31st December 1934 (inclusive).

2. No tender will be received after the date and hour abovementioned.
3. Tenders to be superscribed "Tender for the supply of provisions" to the Krishnarajendra Hospital, Mysore.
4. No tender will be received unless accompanied by a deposit of Rs. 200 for diet articles in Treasury receipt. No cash payment will be received.
5. Tenders will be opened by the Medical Officer in charge at his Office (Krishnarajendra Hospital, Mysore) on the days and at the hours abovementioned in the presence of such tenderers as may choose to attend.
6. The rate for each item must be specified in figures as well as in words and they must be for the particular kind or brand of the article as specified in the list appended thereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.
7. The quantities stated in the lists are not guaranteed.
8. The Government does not bind itself to accept the lowest or any tender or to assign any reason for not-accepting any tender.
9. The deposit of the successful tenderer will be retained and will be forfeited to Government if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 1,000) for the diet articles within three days from the date of his receiving the intimation of the acceptance of his tender.
10. No advance of cash will be made to the contractor. Payments for the articles supplied in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.
11. A store-room will be made available to the contractor, in which he can keep all non-perishable articles of which not less than one month's supply must always be in stock. Perishable articles such as, vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the hospital authorities from outside, and the charges debited to the contractor.
12. The contract must not be sublet.
13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles, and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Government who will have power to fine up to Rs. 100.
14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.
15. The contractor will be bound on occasions of emergency to supply any other articles that are not mentioned in the list appended to the notice at prevailing market rates and at short notice.
16. In payments, the contractor must accept the following rule regarding the fractions of a rupee order passed by Government. In payments to be made to the contractor, fractions of a rupee in the totals will be rounded to the nearest rupee, i.e., fractions less than half a rupee will be disregarded, half a rupee and over taken as a rupee.

List of articles with probable quantities or number required from 1st January 1934 to 31st December 1934 for the inmates of the Krishnarajendra Hospital, Mysore.

Tender Notice dated 26th September 1933.

Notice is hereby given that sealed tenders on half sheet of foolscap sized paper in triplicate will be received at the Office of the Medical Officer, Krishnarajendra Hospital, Mysore, by the Medical Officer, at 11 A.M., on Monday the 30th October 1933 for the supply of Pasteurised Milk (as per list annexed) for the use of the Krishnarajendra Hospital, Mysore; from 1st January 1934 to 31st December 1934 (inclusive).

2. No tender will be received after the date and hour abovementioned.
3. Tenders to be superscribed "Tender for the supply of Pasteurised Milk" to the Krishnarajendra Hospital, Mysore.
4. No tender will be received unless accompanied by a deposit of Rs. 100 for Pasteurised Milk in treasury receipt. No cash payment will be received.
5. Tenders will be opened by the Medical Officer in charge at his office (Krishnarajendra Hospital, Mysore) on the day and hour abovementioned in the presence of such tenderers as may choose to attend.
6. The rate must be specified in figures as well as in words. The value of each tender must be worked out according to the rate tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.
7. The quantities stated in the list are not guaranteed.
8. The rate should be quoted in terms of pint (pint=20 ounces) per rupee and not in pounds.
9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 500) for Pasteurised Milk within three days from the date of his receiving the intimation of the acceptance of his tender.
10. The Medical Officer reserves to himself the right of rejecting any tender without assigning any reason therefor.
11. The milk shall be supplied in sterilised and sealed containers of the description and size prescribed by the Medical Officer.
12. In the event of the milk being of inferior quality or of failure in the due fulfilment of such conditions as may be laid down in its handling, pasteurisation, bottling and transit, it will be open to the Medical Officer to levy a fine not exceeding Rs. 50 on each count. If nevertheless there should be continued breach of the condition or should the supply prove unsatisfactory in any way, the contract will be liable to be terminated without notice. In such eventuality the contractor shall be bound to make good to Government the loss that may have to be incurred by having to make other arrangements for the supply.
13. Milk should be supplied every day at 5-30 A.M., and 9 A.M., and 5 P.M.

Name of the article.
Pasteurised Milk

Quantity required for 1934.
1,10,000 Pints (Pint=20 ozs.)
